## **Many Thanks to Our 2009-2010 Sponsors!**

### **PLATINUM SPONSORS:**

#### **The Sherwin-Williams Company**

Founded in 1866, The Sherwin-Williams Company is a global leader in the manufacture, development, distribution, and sale of coatings and related products to professional, industrial, commercial, and retail customers. The company manufactures products under well-known brands such as Sherwin-Williams®, Dutch Boy®, Krylon®, Minwax®, Thompson's® Water Seal®, and many more. Our branded products are sold exclusively through a chain of more than 3,000 company-operated facilities, while the company's other brands are sold through leading mass merchandisers, home centers, independent paint dealers, hardware stores, automotive retailers, and industrial distributors. For more information, visit [www.sherwin.com](http://www.sherwin.com), or contact Sarah Easton at 502-802-0199 or [louisville-district@sherwin.com](mailto:louisville-district@sherwin.com).

#### **Pittsburgh and Porter Paints**

Pittsburgh and Porter Paints are part of PPG Industries, a global manufacturer of coatings and glass that trends and forecasts colors for items ranging from automobiles to cell phones to appliances to athletic shoes to architectural finishes. PPG colors and coats more surfaces than any other company in the world. PPG is committed to environmentally

conscious products; our Pure Performance line was the first national brand to receive Green Seal Certification and can be tinted to any of our 1890 colors, in addition to custom matches. View our website to discover your color personality and see all that PPG has to offer design professionals, at [www.voiceofcolor.com](http://www.voiceofcolor.com), or contact Ruthanne Hanlon at 614-264-8151 or [Ruthanne.hanlon@ppg.com](mailto:Ruthanne.hanlon@ppg.com) to request your complimentary color tools, available for trade professionals.

## **SILVER SPONSORS:**

## **Louisville:**

The Louisville Design Community is devoted to providing our local ASID members with informative meetings and CEUs. We will be implementing the following specific objectives to enable our members to reach their professional goals:

1. Structure the leadership of our local association.
2. Develop business opportunities for our local members (marketing strategies, etc.).
3. Develop meaningful education programming (CEUs).
4. Strengthen partnerships with our vendors.
5. Develop an outreach and placement strategy with local media. (Member recognition in magazines and other publications.)
6. Develop a plan for community service and fundraising.

The Louisville Design Community is working on developing several CEUs for our local meetings that will eventually meet once a month. We have tentatively scheduled several CEUs which topics include the following: Appliances and home technology; Recycled flooring materials ( Wood, carpet, tile); Office Trends and the Future; Hardware; Tour of an Historic Sustainable Home; and Sustainable Cabinetry.
